Residential Leaf Vacuuming Fall 2016

Provided by Hendel Lawncare Inc. - Serving the greater St. Louis area for over 30 years

November 7, November 21, December 5, and December 19

Once again Hendel Lawncare will be providing Leaf Vacuuming service for the residents in your area. This year we will be in your area on the four dates listed. That gives you 4 opportunities to set out your leaves through the season. The cost to participate in this program is at a special rate of \$80.00. This special rate is a one-time payment for the season whether you set your leaves out to the curb once or all four times. You do not have to choose in advance which dates you would like. Our crews will be in your area on every date listed. This Price is for lawns less than ½ acre, larger lawns will be an additional charge. Please try to have a substantial amount of leaves out, at least 2 to 3 trash cans full in order to keep the rates low.

OUR REGULAR RATE FOR THIS SERVICE IS \$95.00 for the first ten minutes and \$5.00 for each additional minute per pick up.

To take advantage of this special rate of \$80.00, Payment must be received by October 23

If you sign up after October 23 the price goes up to \$110.00

A \$35.00 fee will be charged to all returned payments

*The dates for your area: **November 7, November 21, December 5, and December 19.** It may take 1 or 2 days to complete all piles depending on how many residents participant and how great the volume of leaves are for each pick-up. Dates may be pushed back for weather related reasons. Please be sure to leave an e-mail address or phone number with your payment so we can contact you if there are any major delays or issue or check our website. All leaves must be out before 8 am on the scheduled dates, an additional charge will be added to return for late pick-ups. Please wait 2 days to report a missed pile to give us time to complete all homes. In the event of a snow storm before a pick up date, make up dates will be posted on the website: WWW.HENDELLAWNCARE.COM*

*** ONLY LEAVES ARE ALLOWED IN PILES*** If any other items are in the leaves, your pile will be skipped and an additional charge will be added to return to finish them. Please be sure that there are no bricks, rocks, logs, bushes, plants, and tree limbs with the leaves. They will cause damage to our equipment. (Small twigs are acceptable) **Piles should NOT be in the street or gutter if possible but on the lawn with the back edge of the pile no more than 6 feet from the curb line. Our hoses are only able to reach out about that far, if the volume of leaves is too great and it expands passed the 6 feet they will be raked down. Piles should be as tall and narrow as possible and cover the full width of your property rather than spreading out wider than the six feet, piles too flat and spread out or too far from the curb may be skipped and a charge added if requested to return.**
