Public Hearing to Consider the 2013 City of Shrewsbury CDBG Allocation

Mayor Buckley gavelled in the public hearing. Each member of the public that was present received the "Public Hearing Handout" supplied to the City of Shrewsbury by the grant administrator as is required by HUD when considering the allocation and distribution of Community Development Block Grant funds. She then explained that the City was again eligible to receive up to \$20,000 in CDBG funds, which the City had previously allocated in the following manner: \$15,000 for the street repair projects in eligible locations and \$5,000 for the Home Improvement Program (HIP). Mayor Buckley then stated that the Board, in the last work session, had asked for clarification on whether unutilized HIP funds were forfeited and whether there had been any HIP program recipients for the previous year's funds. She stated that it had subsequently been confirmed that unutilized HIP funding would be returned to the City and that there had been an applicant for the previous year's HIP program funds.

Mayor Buckley then asked if there were any members of the public that wish to address the Board regarding the allocation and distribution of the 2013 CDBG funds. No members of the public addressed the Board.

Adjournment:

Alderman Kauffmann made a motion to adjourn the public hearing. Alderman Scherer seconded the motion and it was unanimously passed. The public hearing adjourned at 7:06 p.m.

Respectfully submitted,

Jonathan D. Greever,
Director of Administration/City Clerk
