Provide drawing illustrating all dimensions, levels and material utilized in construction. Maximum size of coop is 40 square feet.

Height (6 feet maximum)		Depth	
Width		Number of Levels (2 level maximum)	

Describe Material Used for Construction

By signing below, the applicant certifies that they understand and agree to comply with all the provisions in Shrewsbury Municipal Code Section 230.055 (copy enclosed)

- May keep up to a maximum of five (5) chickens on a lot zoned for single family residential dwelling. (7500 sq ft min lot size)
- No roosters are allowed. Chickens may only be raised domestically for private, non-slaughtering, non-commercial, non-breeding use.
- Upon of completion of coop construction and final inspection approval, the applicant may obtain a \$10.00 annual operation permit.
- The chickens must be kept in a covered, enclosed coop at all times. Chickens can not be at large at any time.
- The chickens and coop must be well maintained at all times so that they do not violate the City of Shrewsbury's nuisance code for noise, odor, damage or threats to public safety. (see subsection 230.055 (E))
