From: MESSAGE FROM THE MAYOR
Re: KENRICK PLAZA UPDATE

Dear Friends and Neighbors,

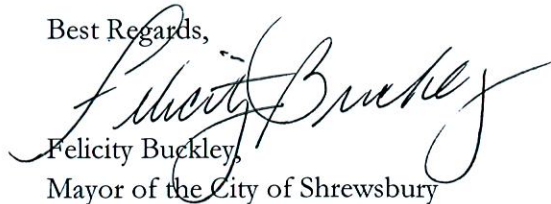

We have reported for some time now that negotiations with G.J. Grewe Inc. were ongoing. With more than a year since the TIF Commission last met, we are happy to announce that the TIF Commission has recently reconvened. They are scheduled to meet at 7:00 p.m. on November 14, 2012 in the Aldermanic Chambers at City Hall.

This meeting is open to the public but should not be confused for the public hearing. The date for the public hearing will be set that evening. We are posting the amended Cost Benefit Analysis as well as the amended Redevelopment Plan.

In addition to these documents, we will post the conceptual site plan and other submissions. Please note that as a conceptual site plan, there may continue to be some changes. Not all landscaping details are shown on the conceptual site plan. The anchor, as well as the site boundaries and ingress and egress will remain unchanged. However, the location of the outbuildings may change according to needs.

If you have any questions please feel free to contact us.

Best Regards,

Felicity Buckley
Mayor of the City of Shrewsbury
